MEMORANDUM FOR LTG EDWARD J. HEINZ
Director, Intelligence Community Staff

SUBJECT: NSDDs Relating to Counterintelligence (C)

As we move into the last year of the Administration and to prepare for upcoming hearings on counterintelligence and the Intelligence Authorization Act funding to be held in late March, John Lewis of my staff furnished a list of all NSDDs issued during this Administration relating to counterintelligence to Acting Director, Community Counterintelligence and Security Countermeasures Office of the IC Staff. (C)

25X1

It would be extremely beneficial if your staff could determine the status of the implementation of these NSDDs and furnish the results to the NSC. You may wish to also furnish the results of this review to the Interagency Group on Counterintelligence (IG-CI) which is now chaired by Director Sessions of the FBI. (C)
